## Rental Application Policy and Credit Card Authorization

**Chamberlain Property Mgmt, Inc.**

### RENTAL APPLICATION POLICY

In order to provide equal opportunity and a fair environment for all applicants who apply for properties managed by Chamberlain Property Management, Inc., the following policy is in effect:

CPM will continue to accept applications at any time prior to a pending application being formally approved. Tracking the order in which an application was received would be almost impossible for us due to the number of agents working and the availability of on-line submittal. In addition, it is not fair to anyone to create a foot race when applying for a home to rent. Therefore, the date and time of application submittal will have no bearing on which application is accepted.

In the case of multiple applications that receive preliminary approval, the final selection will be made via the following evaluations: 1) Which applicant has a higher credit score? 2) Which applicant has a better income-to-debt ratio or more "disposable" income? 3) Which applicant has better landlord references? 4) Which applicant is available to move in sooner? 5) Which applicant has pets v. no pets and what breed? The results of all of the 5 questions above will be weighed in making the determination for which applicant is ultimately accepted.

Our goal is to process applications within 48 hours or sooner whenever possible. However, due to circumstances beyond our control such as slow responding landlord reference verifications and/or incomplete/insufficient documentation of employment or income, the process can take longer. The more complete your application is as well as providing all needed verification documentation, the faster the process will go.

Once an application has been formally approved, the applicant will be notified and within 24 hours will receive the lease agreement. The applicant will have 48 hours, upon receipt of the lease agreement to: review, approve, sign, and return the lease agreement to CPM along with the security deposit by way of: Online Tenant Portal (\*per company guidelines), Cashier's check or Money order. The property will be removed from the market upon receipt of the signed lease agreement and security deposit. Other applicants will be notified that their application was not selected. If the approved applicant fails to complete the process within the prescribed time period, the next applicant in line will be notified and will have the opportunity to complete the process, and so on. In addition, the approved applicant must provide proof of a renter's insurance policy that is in place for the subject property prior to occupancy and 1st month's rent via of Online Tenant Portal (\*per company guidelines), Cashier's check or Money order. The policy must name Chamberlain Property Management as additional insured/interested party, with minimum policy coverage of \$100,000 for apartments and \$300,000 for condos and single-family homes.
