Property Information

This stunning home is a must see! 4,390 sq ft features 3 bedrooms upstairs, full bedroom bathroom down stairs, and separate studio apartment! As you enter the home, the entry way features custom marble tile, vaulted ceiling and tons of natural light. To the left you have your bonus room (perfect for a home office), formal living room and dining room with back patio access. The kitchen shares an open floor plan with the family room and eat in kitchen area. Kitchen is fully upgraded with beautiful granite counter tops, stainless steel appliances, and features tons of cabinet and counter space. The family room opens up to the back yard, gorgeous pool, spa and great patio space with outdoor fire place. The home also features a built in stereo system, and custom built temperature controlled wine cabinet. Master bedroom has a private balcony with great view of valley, and ocean. Surrounding the upstairs loft, are the two additional bedrooms, and one full bathroom. The studio features a separate entrance, laundry hook ups, full kitchen and bathroom, and all appliances. 3 car attached garage. Community pool and spa. Landscaping service included.
