Property Information

Summer is almost here and this is one hot property - in the figurative sense of course! While it has plenty of sunshine pouring in, it also has shady trees off the back patio offering plenty of cool breeze for those hot summer days. Inside, you will feel at home in this downstairs single level home thanks to the fresh and bright remodeled kitchen that features all stainless steel appliances. Enjoy your two spacious bedrooms separated by one of the bathrooms. Bonus - in addition to a reserved spot, there is also a 1-car garage with a storage room up front for all your fun toys! Saving the best for last - your large private patio is just waiting for you to add the cutest outdoor patio furniture. Or maybe a farmhouse table... the choice is yours! Finish the space off with a grill and now you're all set for summer get-togethers. Welcome home!
