There is a ground-floor patio off the living with views. And the updated kitchen, bright and shiny with new counters and gorgeous backsplash, and all new stainless steel appliances will make you swoon. The second bedroom (with bath on the main level) is a good size with full views of the golf course. The Spacious Master Bedroom upstairs with vaulted ceilings has a sitting area and fireplace as well as a large deck - perfect for a daybed and umbrella to enjoy unobstructed views of the Golf course or maybe your coffee in the mornings. The ensuite Bathroom has been beautifully remodeled with a new tiled walk-in shower and new vanity. There are ample storage options. Could it be any more perfect? Yes, a large attached TWO car garage -a rare find. Central heat and AC and additional parking on the street.
